

AVerVision M70W

Mechanical Arm Wireless Visualiser (Document Camera)

The AVer Document Camera has been the best teaching tool I have ever used. I have no regrets about getting the document camera instead of an interactive white board. The document camera has so many more functions and uses than I ever imagined.

AVerTouch Software

AVerTouch is our most powerful software, designed exclusively for AVer visualisers. One touch connects the M70W with mobile devices for content sharing, and teachers can sync to the cloud to automatically save annotated, captured, and recorded files.

230X Total Zoom

Capture every shot with the M70W's 10X optical zoom plus 23X digital zoom. The power of close-ups enhances the learning experience by letting teachers show every little detail.

230X TOTAL ZOOM

Outstanding 4K Video Quality

Embracing 4K Ultra HD output resolution with its 13-megapixel camera, the M70W's impressive smooth and steady 60fps performance is a delight.

INSTANTLY SHARE & INTERACT WITH VIBRANT DETAILS

Durable, Adjustable & Portable

The sturdy, adjustable mechanical arm and portable handle offer users flexibility to apply the M70W in different fields. Additionally, the position indicator on the camera head allows for precise visualising of A3-sized documents.

Wired or Wireless

Integrating the benefits of stand-alone and wireless visualisers, the M70W gives teachers options. Armed with HDMI and USB connectivity, idea sharing has never been this easy.

One-Touch Recording & Capturing

Irresistible 4K video recording and capturing functions completely fulfill the needs of flipped teaching. Simply capture all your favourite moments and express your creativity during classes with the M70W.
